### Ingredients

---

- ✓ 60 g unsalted butter
- ✓ 100 g sugar
- ✓ 60 g sesame seeds
- ✓ 2 tablespoon of cream
- ✓ 60 g cornflour

### Preparation

---

Blend all the ingredients and allow the mixture to thicken over a low heat.

Cover a baking sheet with aluminium foil and pour several spoonfuls of this dough onto it. Leave sufficient space between the biscuits, as the dough tends to spread. Bake the biscuits for 10 minutes in an oven at 190°C.

Leave the biscuits to cool.
