# WALLONIA EXPORT & INVESTMENT AGENCY

4

The Wallonia Export & Investment Agency (AWEX) is the institution in charge of the development and management of Wallonia's domestic and international economic relations.

Through a personalized, innovative, and sustainable approach, AWEX supports Walloon companies - regardless of their size, sector, or target market - in every step of their international endeavors. This includes exports, technological partnerships, and development abroad.

The agency's vast network of connections ensures the best advisors are always by your side. Our local anchors and agents abroad are capable of providing unparalleled insight to take your company to the next level. In addition, our connections will help establish your business in the global marketplace and promote it throughout the world. Training, incentives, and international financing are also available.

AWEX is also committed to strengthening Wallonia's position as the premier gateway for international investors seeking success in the heart of Europe. We work closely with them to inform, convince, and advise in every stage of their development.

Feel free to get in touch with one of our local or international agents via our websites listed above. In our network of more than 400 employees in nearly 100 countries around the world, there is always someone ready and willing to support you in your approach.

## ACTIVITIES, PRODUCTS, INNOVATIONS AND BRANDS

From a terroir, from a specific geographical area, our chocolate is vintage and therefore produced in limited quantities.

The heart of our approach is to work exclusively with beans from exceptional plantations and soils. Our production is certified organic.

We have complete control over the process of transforming raw cocoa beans, from roasting to making finished products according to the manufacturing processes of yesteryear.
